Newsletter of the Dial Wood Carriage Driving Group

WINTER 2022.

Well we have certainly felt a change in the temperature recently and the ponies are glad of their rugs, we volunteers not quite so glad of frozen troughs and numb fingers but we are made of stern stuff so it's a Frosty Festive greeting from the Team at Dial Wood. Here's what we have been up to....

LEST WE FORGET

Tyson looking suitably solemn shows his respect for the fallen as Bea takes time out of her lesson to observe the minutes silence. Horses have given so much in challenging times and we owe so much to them in return.

PONY WALK AND TALK

A new initiative for Dial wood and part of a wellbeing programme organised by TSL, Ellie and Tonto provided fresh air and pony therapy for visitors who enjoyed a lovely stroll in the countryside!

CO-OPERATION AT ITS' BEST!

We must extend a massive thank you for all those of you who became Co-op members this year and helped raise funds for Dial Wood. Through your efforts we raised in excess of £6,000. You can be sure this will be put to good use improving our facilities.

TEA WITH A PONY

They are a hardy bunch our Tea With a Pony guests some of whom have continued to visit through the colder months. Enjoying tea, cake and of course our wonderful ponies.

FESTIVE FUND RAISERS

During the Pandemic we had to be a little more imaginative with our fund raising efforts, but it's good to be back behind a stall at various festive fairs, raising funds and awareness of our group. Thanks to all those team members who have attended events or created fund raising initiatives this year.
